

Please help me. I have received up to 30 page faxes from Carnival Corporation that must have been the client, Mr. Mar, that had this number 510 531 4500. I have contacted them at least six times in the past 18 months to no avail. I have this number forwarded and it costs me up to \$11 each time this happens. The numbers I have called are Tim Gallagher, Media , 305 599 2600, ex 16000 and Beth Robers, Investor Relations, 305 599 406 4832. Thank you.
